

Dear Parent/Carer

### **Football Tickets**

We are delighted that the Swan Trust are working in partnership with Farnborough Football Club to provide families with the opportunity to attend games free of charge. We hope this will give families the opportunity to spend time together and experience live sport.

If you would like to attend Farnborough's home game on Saturday 28th March at 3pm against Hornchurch, please complete the Google Form below:

<https://docs.google.com/forms/d/e/1FAIpQLSc1-LZmhLinDuhp7IGfBuVuE0fZc2Knjtpq243SaDM1r2Km6Q/viewform?usp=header>

\* the deadline for requesting tickets will be Friday 20th March & tickets will be given to your child to take home on Monday 23rd March.

Please note that although some staff members may attend, parents must remain with their children and take full responsibility for them.

We hope to bring a large contingent from the Swan Trust and look forward to many more games in the future!

If you have any questions, please email David Gunning (dgunning@goldsworthprimary.co.uk) who is helping coordinate the initiative.

Thank you very much and enjoy the game!

### **Book Week**

A huge well done and thank you for all the fantastic Booktato entries! The creativity, imagination, and effort that went into each one were truly outstanding. It was incredibly difficult to choose the winners because every single entry was amazing.

The children also had an absolutely brilliant time on the bouncy castle yesterday — there were smiles all round!

If you would still like to contribute, there is still time to donate via ScoPay. All donations will go towards new books for our school libraries, helping us continue to inspire a love of reading.

### **Comic Relief Juniors**

Bake Sale for Comic Relief - Friday 27th March

The house captains are very excited to announce their annual charity cake sale for Comic Relief during break on Friday 27th March. Cakes will be on sale for 50p at break time and after school at a discounted cost of 30p on the football playground. Only one cake per child will be allowed and we would ask that the children have the correct money with them.

As part of this fund-raising effort, we would ask for as many cake donations as possible which we can then sell. Please can all donations come to the hall on the morning of Friday 27th. Please label cake tins and cake tin lids with your child's name and class in order that they can be returned at the end of the day. Whole cakes are very tricky for the children to cut up, and sale so single small cup cakes are much better.

For those children with allergies, please can the house captains ask that you provide a suitable cake for your child. Please can your child give this directly to their class teacher on that morning, so we know that the right child gets the right cake.

Please help us to raise money for this worthwhile charity.

Mrs Casey

### **Children and Phone Safety - NSPCC**

The NSPCC's guidance on children, mobile phones and online safety is a useful resource for addressing one of the most common questions schools are asked: When is a child ready for a phone, and how can families manage the risks?

The guide offers balanced, practical advice on readiness, boundary-setting, parental controls, and ongoing conversations about safe and responsible use. This resource can support a consistent messages between home and school, reduce anxiety, and support a shared approach to online safety.
